Tamworth 2021

TAMWORTH
frogs

*For the development of juniors so that they may
enjoy the game, be better players and better people.*

*Promoted by the Junior Boys and Junior Girls Standing Committees
of the Tamworth Hockey Association Inc.*

Welcome

After a COVID enforced break we are back!! As the new President of Tamworth Hockey and on behalf of Tamworth Hockey Association Inc. it gives me great pleasure to welcome all the players, coaches, parents and spectators to the 2021 York Cup and Kim Small Shield, which is now in its 18th year.

Our event has grown from very humble beginnings back in 2003 with only 5 teams to what you will experience over this weekend with 43 teams competing in both indoor and outdoor formats!!

For those who are joining us again we say "welcome back", thanks for your continued support & patronage, and we look forward to catching up with you over the weekend. There have been some big changes to our Hockey Complex since the 2019 event. We now have three water-based surfaces (2 FIH international status and 1 national status), plus new facilities including changerooms, toilets, boardroom and training rooms

For those who are experiencing our event, and possibly our city and district for the first time, we trust that your time in Tamworth will be an enjoyable experience both on and off the field as you make new friendships within the hockey fraternity.

We also look forward to seeing some great hockey played in the excellent spirit that this event has become known for. The theme for the weekend is all about development, of not only our junior players, but also of our junior umpires and coaches.

Our mission is to ensure that the York Cup and the Kim Small Shield will continue to provide our younger players with an opportunity to develop as not just fine hockey players, but also as people.

Thanks must go once again to Michael York and Kim Small for their continued support as Patrons for this carnival. Michael & Kim are extremely generous with their time and over the years the inspiration they have provided throughout, and beyond this event, is truly amazing.

The quality of the carnival highlights the strength, skill and commitment of the local Association. Putting on this event is a real team effort and I wish to thank all those who have contributed to the success of the York Cup and Kim Small Shield by working on all the tasks needed to ensure that the carnival runs smoothly.

A special thank you, yet again, to Chas McKenzie, for his continued enthusiasm and coordination of this event and to Richard Willis, Hockey NSW Pathways Manager for his assistance over the weekend.

Julie Rodda & Donna Watson need to be formally acknowledged for coordinating the canteen and BBQ's to ensure everyone gets fed. As you can imagine, for an event of this size, this is a massive task.

Special thanks must also go to our Grounds convenor Tony Mumford for his tireless work in ensuring that our grounds, and our facility, always looks and performs, at its best.

Lastly, but by no means least, a sincere thanks to all the members of the Tamworth Hockey family who have turned out and rolled up their sleeves to assist wherever possible including shifts at the canteen or on the BBQ, in undertaking control duty, in putting up and pulling down tents or in assisting with the coaching and management of our Tamworth teams. Without you, this event would not be possible.

Ross Briggs
President – Tamworth Hockey Association Inc.

Michael York

Former Kookaburras captain Michael York is a legend of Australian hockey and one of the best defenders to ever play the game. Michael was a long term captain of the Kookaburras earning universal respect as both a player and a leader.

During his international career, he read the play exceptionally well, was difficult to eliminate and his passing out of defence was characterised by great decision making.

Kate Jenner

Filling in for a family friend's hockey team as a youngster, Kate or 'KJ', decided to stick with the sport. After committing herself to various sports, each year she would give one away, ultimately finding herself unable to part with hockey.

A soldier within the Australian team, Kate has played with a fractured thumb and has previously fractured her foot, as well as overcoming quad injuries.

The Tamworth defender's only international goal came in a series against India in October 2014.

Kate is now a Regional Coaching Coordinator with Hockey NSW for the Newcastle area.

Kate is a current member of the Hockey NSW PRIDE in the Hockey One League.

Kate has recently been selected into the 2020 Hockeyroos squad and has been selected to represent Australia with the Hockeyroos at the 2021 Tokyo Olympics.

Barbara York Team Award

Michael's mum, Barbara, passed away in early 2016. Barbara was so proud that the event named after her son, is based on 'the development of juniors so that they may enjoy the game, be better players and better people'.

The award will be presented by the York family at the presentation to the team that best displays the philosophy of the York Cup and Kim Small Shield by creating the team environment that:

*Respects ALL players and umpires;
Values enjoyment of the game; and
Is focussed on skill development and improvement.*

York Cup and Kim Small Shield 2021

Rules:

1. The competitions will initially be run as a round robins in each Division of the York Cup and the Kim Small Shield. Refer the structure charts for each Division to understand how each competition runs.
2. Points for each match shall be awarded as follows: 4 points for a win or forfeit, 2 points for a draw and 1 point for a loss. Bonus Points per match as follows. Winning team 1 BP for scoring 3 or more goals. Drawing teams 1 BP for scoring 2 or more goals. Losing team 1 BP for scoring 1 or more goals.
3. Teams shall be ranked based on the most points at the conclusion of the round robin matches. In the event that 2 or more teams are equal on points then the higher placed team shall be the team with the higher goal difference. Goal difference is the difference between total goals scored by a team and total goals conceded by a team over the current round robin matches. Should teams still be equal, the team having scored the most goals in the round current robin matches shall be declared as the higher placed team. Should teams still be equal the result of their matches against each other in the round robin shall be used to decide the higher placed team.
4. Should teams still be equal, the teams shall be separated by a toss of a coin in the Convenor's office with both managers present.
5. Teams in York Cup A Division will start in a single pool YA, with 9 teams and play a round robin within the pool. At the conclusion of the round robin, extra matches will be played based on your team's position in pool YA. The points and the goals will be added to your round robin scores to determine your final placing. Matches will be as follows: 1st v 2nd, 3rd v 4th, 5th v 6th and 7th v 8th. Note 9th position misses an extra match. The extra matches may only change the order of your match pairing ie 3rd place can't jump into 2nd or 1st.
6. Teams in York Cup B Division will start in 4 pools, YB1, YB2, YB3 and YB4 (each with 4 teams) and will play round robins within their pool. The top 2 teams from each pool will then form 2 four team pools (YBA and YBB) and play another round robin. The top 2 teams from YBA and YBB will then form another four team pool YBA1 and play another round robin. Individual match results from YBA and YBB will carry through to YBA1. Pool YBA1 determines placings 1 to 4 in York Cup B Division. A similar arrangement exists to determine the other placings in York Cup B Division. Refer to the Structure Diagram to understand progression through the round robin pools.
7. Teams in Kim Small Shield A Division will start in a single pool KSA, with 8 teams and play a round robin within the pool. At the conclusion of the round robin, extra matches will be played based on your team's position in pool KSA. The points and the goals will be added to your round robin scores to determine your final placing. Matches will be as follows: 1st v 2nd, 3rd v 4th, 5th v 6th and 7th v 8th. The extra matches may only change the order of your match pairing ie 3rd place can't jump into 2nd or 1st.
8. Teams in Kim Small Shield B Division will start in 2 pools, KSB1 and KSB2, each with 5 teams and play round robins within their pool. The top 2 teams from each pool and the highest ranked third placed team will then form a four team pool (KSBA) and play another round robin. The remaining teams and the bottom ranked 3rd placed teams from KSB1 and KSB2 will then form a four team pool (KSBB) and play another round robin. Points from KSB1 and KSB2 do not carry through to KSBA and KSBB. Positions 1-5 in Kim Small Shield B Division will be ranked from KSBA and positions 6-10 from KSBB.
9. For minor placings. Teams finished on equal points shall share the minor placing.
10. Games shall be 25 minutes one way with no half time and no break between games. Games shall start at the appointed time. Penalty corners are not played out at the end of the appointed time. All players shall be registered with Hockey NSW or Hockey ACT and thereby have Player Insurance covered through the scheme.
11. Teams need to be ready to commence their match at the conclusion of the preceding match.
12. The Management team for the York Cup and Kim Small Shield reserve the right to remove points from teams for matches where the conduct of the coach, manager or supporters is deemed not to be consistent with the ideals and spirit of the carnivals. The management team would also hope to never have to use this rule.

PRESENTATION

Please check in before entering our premises.

We're helping keep our community COVID safe by recording contact details.

It's easy to check in:

- 1 Scan the QR code with your smartphone camera or QR code reader.
- 2 Follow the prompts on the Service NSW app or on the Service NSW webform.
- 3 Show a staff member that you've signed in.

We respect your privacy

When you scan the QR code, the only personal information sent to Service NSW is your Customer ID, the location of the business you are visiting, time and the date of your visit. The business will not see or collect this information and it will only be used for contact tracing. We only keep this information for 28 days unless required for contact tracing related to a COVID-19 outbreak. Please refer to the collection notice in the app for more information.

This QR code is for Tamworth Hockey Association Inc, located at Tamworth Hockey Complex, Ringers Road Tamworth, Tamworth NSW, AUSTRALIA.
